

State Assistance for Housing Relief (SAFHR) Landlord Recommender Instructions

Completing SAFHR Landlord Recommender Task

If the applicant (renter) is applying for Rental Arrears and/or Forward Rent, the applicant will be required to include information for the landlord of the unit they are seeking assistance. The Rental Arrears payment and Forward Rent payments must be made to the landlord, directly. After providing all of the required tenant information, the applicant will complete the SAFHR Landlord Recommender Task, which allows MHDC to request payment information from the Landlord in order to provide payment.

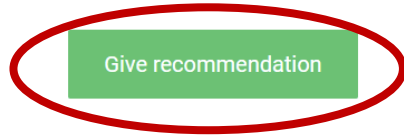

NOTE the following:

- The landlord is not “recommending” the applicant, “Recommender Task” is a default name in this system. This task is only for the landlord to provide information so MHDC is able to make a payment directly to them.
 - The landlord cannot see the tenant application. The landlord can only see:
 - Tenant Name
 - Address
 - Amount of rent request
 - Assistance type (Rental Arrears / Forward Rent)
 - Applicant cannot see the landlord information submitted. Applicant will only be able to see that their task has been completed.
